## The Front Page: by Joan Gregory

We hear a lot about people's bucket lists, what they hope to achieve before they die. As Christians what should we hope to accomplish before we get to glory? St. Paul writes in 2 Timothy 4:7, "I have done my best in the race, I have run the full distance, and I have kept the faith." (G.N.B.)

Surely we all hope we have done our best, but as we go forward let us also keep the faith.

We have recently celebrated the great feast of Easter. Jesus Christ conquering sin and death, this is the message we continue to proclaim in a world of uncertainty, doubt, and sorrow. The joy of knowing God is in control, thanking and praising Him for all the blessings we receive. So we continue to run the race with courage and perseverance knowing that we do not go alone but with the power of the Holy Spirit, our comforter, guide and friend.

Julian of Norwich writes "He loves us and enjoys us, and so He wills that we love Him and enjoy Him, and firmly trust Him; and all shall be well."

Indeed. Amen.

## Leighton Buzzard Observer report on the Walk of Witness

The Leighton Buzzard Observer has done an article about the Leighton Buzzard Good Friday Walk of Witness. Please see the article: <https://www.leightonbuzzardonline.co.uk/news/people/return-of-walk-of-witness-to-leighton-linslade-after-pandemic-3657318>

## Message from Anne Webber

A couple of weeks ago a member of the congregation evinced an interest in "The Companion to Hymns & Psalms". I didn't write their name down and now I've forgotten who it was.

I was also asked for an Action for Children collecting box. I have the same problem. Who was it?

Can you please remind me? !!

## Charity of the month for May – Christian Aid

Christian Aid is one of the most well known Christian charities. It exists “to create a world where everyone can live a full life, free from poverty”. They believe that poverty can be ended is based on an understanding of scripture and the work of a creative, loving God. As an international agency they work in partnership with local organisations, governments and the private sector seeking to end poverty and injustice worldwide. Their current campaign “United By Hope” explains how hope drives them to work with local communities, and tackle the root causes of extreme poverty so everyone can have a chance to thrive.

While Trinity will not be doing a door to door collection for Christian Aid week this year (15-22 May), you can donate through their website <https://www.christianaid.org.uk/> or through the

retiring collection after the 10.30 service on 15 May.

### **Sunday Nite Live**

The Circuit Worship Team are planning to relaunch Sunday Nite Live on Sunday 10th July at Farley Hill at 6pm. Further details will be made available in due course, but the proposed theme is Healing & Reconciliation - What has Covid meant for us.

However, we are looking for people who are interested in being part of the Sunday Nite Live planning team, and also those who may be interested in leading occasionally or perhaps being part of the worship band. All are welcome to be involved, whether you are a worship leader, local preacher, minister, musician or just a member of your congregation.

For those who are unaware of what Sunday Nite Live is, it was set up by the Circuit Worship Team a number of years ago, and was led by Rev Andy Melvin and Rev Phil Horner and took place every two months at various churches around the circuit. The service is an informal time of worship, and has included a variety of material, including drama, interviews, guest speakers, times of discussion around tables and more. Refreshments are available during the service. It is also an opportunity for us to introduce new hymns and worship songs as well as sharing in those that we know well.

If you are interested in being part of the planning team, leading an occasional Sunday Nite Live, or being part of the worship band (both instrumentalists and singers), please contact Steve Rogers on [steve.w.t.rogers@gmail.com](mailto:steve.w.t.rogers@gmail.com) or call him on 07748 526594.

## Local/Community News

### Town Mayor's Civic Service

The Town Mayor Cllr Farzana Kharawala invites you to her Civic Service on Sunday 15th May at All Saints Church, Leighton Buzzard at 3pm.

It is a time to celebrate the communities of Leighton Buzzard and Linslade and all the good work that has been accomplished in the last year.

During the service there will be a presentation of the Community Volunteer Award to this year's recipients. Cllr Kharawala will also present cheques to her chosen charities, from the money that has been raised during her term in office.

Refreshments will be available at the end of the service.

Everyone welcome.

### Public Issues (from Charles Horsefield & 'Cilla Wagner)

This week Cilla wants to remind us of some Public Issues that are being addressed within our town, as described in the latest issue of "About Town" magazine. First, who knew that our local charter market was judged Best Local Council Market by the National Association of British Market Authorities? The market is good for the environment in that it gives us the chance to buy fresh produce with no unnecessary packaging. Craft and French Market stalls are added attractions that help to encourage people to shop locally, another environmentally-friendly approach.

Then there is the Chatty Cafe set up by the Bassett Road Surgery Patient Participant Group at the Town Council's Tactic Centre in Hockliffe Street. This is part of a nationwide project to bring the

community together by providing a space for people to chat over coffee or tea and cake - in a way that they might not feel able to do in one of our many coffee bars. It is open on Tuesdays from 10.00am to 1.00pm and is reminiscent of what we used to have at Trinity on Saturday mornings perhaps?

Finally, there is a regular item entitled "Just One Thing" and in this issue "Sustainable Suzi" is advising readers to invest in a water butt. Previously the advice was to turn off unnecessary lights - which may seem a bit obvious but only this morning on the news I heard about a government initiative to turn off appliances that we are accustomed to leave on "stand-by". Apparently all those little stand-by lights together use an enormous amount of electricity nationally.

I would just add that if anyone finds my Public Issues report to the Annual Church Meeting about Justice puzzling, all of the initiatives described above are relevant. Because whenever we don't support our neighbours or protect the environment, justice issues arise. Please consider and complete a reply slip if you think there is more that Trinity could be doing. Charles and Cilla.
