A prayer for Peace

Lord, bless us in our longing for peace in this troubled world,
When so many innocent people are caught up in civil conflicts and
in hostility between nations.

Lord, guide us in the way of peace and away from disaster so that
our human family can live in harmony,
Free from conflicts that bring suffering to millions of refugees.

Lord, enlighten leaders everywhere.

Help them to overcome barriers of prejudice and learn to welcome
as members of one family,

All who share our common humanity.

Amen

Families Worker at Trinity

I am pleased to say that we have now appointed a part-time Families Worker to work with us at Trinity. Her name is Emily Watts and she is already known to some of us as she attends Messy Church with her two young children. Over the next couple of months she will be gradually taking over the organisation of our monthly Messy Church events as well as getting ready to launch a weekly Toddlers session. Please give her your encouragement and support as she settles into the role.

Charity of the month – BRF Ministries – Messy Church

Did you know that there are 26 Messy Church locations in Bedfordshire? Trinity is one of a large movement aimed at bringing church to everyone, in particular families. Find out more here: <https://www.messychurch.brf.org.uk/>. There will be a retiring collection for BRF on 19 October.

Community Action Group

As usual we made a good collection of food for the Helpers Foodbank at our Harvest Festival plus lots of tools and equipment for Work Aid. At the Harvest Tea even more donations for Work Aid appeared and we were able to take a load to Chesham the next day, where we found a substantial shop area has been developed in addition to the longstanding warehouse and workshop areas. For anyone wanting to purchase rather than donate tools or textile related materials and equipment, it makes sense to go and buy from Work Aid, so that they have funds to cover the cost of sending container loads to African countries.

Closer to home we have continued to build up stocks of household goods, crockery etc in our recycling cupboard to the extent that we can't take much more. However, when Chris Berry next comes to preach on 28 October he will no doubt take away a good load and create some space for us.

JPIT continue to provide inspiration for us in their monthly newsletter. Two of their staff are planning to come to our 10.30 service on 30 November to present our certificate of registration in the Constituency Action Network. In the meantime Sue and I plan to attend the annual JPIT conference in Derby which coincides, unfortunately, with our next **fund-raising event for Marie Curie - a Soup and a Roll Lunch on Saturday 8 November**. Unfortunately our MP, Alex Mayer has prior commitments on both dates, but she has expressed her regrets in effusive terms in a message which can be seen on the Community Action notice board.
